2-YEAR SAMPLE ROADMAP FOR TRANSFER STUDENTS

(Tentative & subject to change)

A) This sample plan assumes at least 60 semester units of transfer coursework and General Education (GE) certification. Total units required for the degree is 120.

B) If not completed prior to transfer, students should also plan on taking PSY 1500 and PSY 1700, in their first semester, to fulfill major requirements.

C) Students should have taken MATH 1020, College Algebra, or an equivalent before taking PSY 3020.

D) Refer to the GE Lower Division and GE Upper Division handouts for courses that satisfy (cl), (wi), (re), and (d) requirements.
