To locate the serial number on your Apple pencil

1. Attach your Apple Pencil to your iPad, and open the **Settings** app.
2. Select **About** at the top of the screen.
3. Select **Apple Pencil** near the bottom of the screen. If you can't see this option, your Apple Pencil may not be properly attached.
4. Your Apple Pencil’s serial number will be displayed on this screen.
5. Press the iPad’s **power button** and the **top volume button** at the same time to take a screenshot.

6. You can find your screenshot in your **Photos** 📸
