Insurance Requirements:

Insurance - University Owned UAS: When University-owned UAS are operated by faculty, staff, volunteers, or students for university purposes, they are covered for liability provided the aircraft is appropriately registered as described herein. If a Certificate of Insurance is requested by venues for off-campus use, please contact RMEHS.

Insurance - Non-University Owned: Insurance is required from non-university owned UAS operators, including on behalf of the University, to protect against claims for injuries to persons or damage to property that may arise from or in connection with the ownership, maintenance, or use of the UAS. A Certificate of Insurance as described herein shall be provided during the application process.

Commercial General Liability (CGL) Insurance: UAS operators using non-Cal State-owned craft on university property must provide a certificate of insurance that includes Cal State LA, the University Auxiliary Services, Inc. (UAS), and the Trustees of California State University as Additional Insured with the following limits \$1,000,000 and \$3,000,000 for CGL. The certificate of insurance shall cover the date of the event.

Aviation or Aircraft Liability Insurance: UAS operators using non-Cal State-owned craft on university property must provide evidence of Owned / Non-Owned aviation liability insurance coverage with a limit of no less than \$1,000,000. A Certificate of Insurance showing your policy applies to aircraft liabilities, in the amount stated, that names Cal State LA, Cal State LA Auxiliary Services, Inc., and the California State University Board of Trustees as Additionally Insured shall be provided during the application process. Such insurance shall be primary without any right of contribution from any other insurance.

Indemnification:

In consideration of receiving permission to operate a small Unmanned Aircraft System (UAS) in the airspace of California State University, Los Angeles, I hereby, knowingly and voluntarily, for myself, my heirs, executors, administrators, and assigns, agree to indemnify, release, and hold harmless Cal State L.A. University Auxiliary Services, Inc. and California State University, Los Angeles, as well as their administrators, instructors, volunteers, agents, officers, successors and trustees and assigns, from any and all liability associated with the operation of this UAS, and the collection or use of images, video or audio obtained by the UAS during its flight, including but not limited to liability for claims, causes of action, or lawsuits, for bodily injury, personal or advertising injury, wrongful act, property damage, breach of contract, or consequential loss resulting in damages, judgments, settlements, or any monetary loss, including attorney's fees.

I have attached the applicable documentation and other relevant documentation for this request. (Evidence of Remote Pilot Airman Certificate, insurance, FAA registration, aircraft log book, etc.) If this is to film on University property, you must also follow the Campus Filming policy/procedure.

Signature: _____ Date: _____

By signing above, the individual/entity submitting this request agrees to and will abide by all university policies governing the use of Unmanned Aircraft Systems on or over university property or sponsored event. A copy of the approved UAS Request Form must be in possession of the operator at all times during the activity, and must be presented to any university official or representative with control or jurisdiction over the activity, upon request. The University reserves the right to request additional documentation as a condition of approval and operation or suspend any flight. In addition, any operator violating any portion of the University Unmanned Aircraft Systems (UAS) Policy, will be held accountable for their actions.
