Gutiérrez Receives CSU Wang Award

Carlos G. Gutiérrez (*Chemistry and Biochemistry*), director of Cal State L.A.'s National Institutes of Health Minority Access to Research Careers and

Minority Biomedical Research Support programs, has been selected as one of the four CSU outstanding faculty to receive this year's \$20,000 CSU Wang Family Excellence Award.

Gutiérrez' award falls under the category of Natural Sciences, Mathematics, Computer Science and Engineering. The awards to four faculty and one adminis-

trator from throughout the 23-campus system will be presented at a formal ceremony on Tuesday, May 9, 2000 at the CSU Trustees meeting in Long Beach.

In 1996, Gutiérrez was among the first individuals named by the President of the United States to receive the then newly established annual Presidential Award for Excellence in Science, Mathematics and Engineering Mentoring. The honor was conferred at a White House ceremony. This past February, Gutiérrez received The Quality Education for Minorities in Mathematics, Science and Engineering (QEM/MSE) Network Year 2000 MSE Giants in Science Award.

This is the second year of the Wang Family Excellence Award, and the second time a member of the Cal State L.A. community has received the award. Last year, **Raymond B. Landis**, dean of the School of Engineering and Technology, received the first award for administrative leadership. ■

Provost/VP to Retire

President James M. Rosser recently announced the retirement of **Margaret Hartman**, effective September 1, 2000. Hartman has served as the University's Provost and Vice President for Academic Affairs since 1994.

Said Rosser: "As a faculty member and, most recently, as an important member of Cal State L.A.'s administrative team, Hartman has been an advocate for instructional innovation and has made significant contributions to the University as a whole. Her involvement in the University has been wide-ranging, and she will be as much missed for her participation in the Biannual Faculty Staff Vocal Extravaganza as for her leadership within the Edmund G. "Pat" Brown Institute of Public Affairs as chair of its Board of Advisors.

A professor of biology whose field is entomology, Hartman received her M.A. and Ph.D. degrees from Oregon State University and earned her B.S. degree from Cal Poly San Luis Obispo, which named her 1994 Outstanding Alumna, College of Science and Mathematics.

In 1986, she was named Associate Vice President for Academic Affairs-Faculty and Administration. In 1989-90, along with her duties as Associate Vice President for Academic Affairs, Hartman served as the Interim University Librarian.

Her husband, **Robert Zahary**, a former chair and professor of accounting at Cal State L.A., also served as Associate Vice President for Operations at Cal State L.A., and currently is on a special assignment in the CSU system office. ■

Goldwhite Reappointed to CSU Board

An honored member of the Cal State L.A. faculty for 38 years, **Harold Goldwhite** (*Chemistry and Biochemistry*) was reappointed today to the Board of Trustees of the California State University by Governor Gray Davis. His original term began April 1998.

The Board establishes policy for the CSU and manages and administers all colleges within the system.

Goldwhite is the second Cal State L.A. faculty member to be appointed as CSU Trustee. In 1983, **Robert D. Kully** (*Communication Studies*) was selected by Governor George Deukmejian to fill the

then newly-created position of CSU Faculty Trustee.

Goldwhite joined the Cal State L.A. faculty in 1962 as an assistant professor, and was promoted to associate professor in 1964 and professor in 1967. He is currently serving as director of the CSU Institute for Teaching and Learning.

Goldwhite received both his Bachelor of Arts and Ph.D. in Chemistry from Cambridge University. His honors include visiting professorships at the University of Strasbourg, France; the National University of the Andes, Merida, Venezuela; and at other universities in England and Mexico. He was chosen as Outstanding Professor at Cal State L.A. in 1967 and was recognized as a CSU Trustees' Outstanding Professor in 1978. ■

ADMINISTRATIVE APPOINTMENTS

Assistant Vice President for Student Affairs—Student Services David Godoy has announced the following appointment:

Marie Ver Haar, judicial affairs officer, effective Jan. 1, 2000. Under the auspices of the Vice President for Student Affairs, Ver Haar will investigate all allegations of student misconduct and will determine charges that include disciplinary probation, suspension, expulsion, or a lesser sanction.

Vice President for Administration and Finance Steven Garcia has announced the following appointment:

Olivia Sanchez-Weber, Equity and Diversity / Employee Relations Specialist, Human Resource Management, effective Feb. 11, 2000. In this capacity, Sanchez-Weber will administer the Equity & Diversity and Employee Relations Programs; investigate charges of discrimination, sexual harassment, or retaliation; provide training; and ensure compliance with University policy and federal and state regulations. She earned her bachelor's degree from Cal State L.A., master's degree from CSU Fullerton, and a paralegal certification from UCLA.

Vice President for Institutional Advancement Kyle Button has announced the following appointment:

Joy Laureano, coordinator, Special Events and Online Services, Alumni Association, effective Mar. 17, 2000. Laureano worked in the entertainment industry for several years and brings with her experience in event planning, technology, and online development and execution. She received her bachelor's degree from Cal State L.A.

NEW EMERITI

The following recently retired faculty were recommended by their academic departments or divisions for emeritus status. With approval from the School Dean, the Provost and Vice President for Academic Affairs, and the President, their emeritus status has been awarded:
