

Volunteers are the heart of our community. **WE NEED YOU!**

Become a Volunteer Today.

Make a difference in the lives of our community, our staff and our members by volunteering at Kaiser Permanente Los Angeles Medical Center. See the available programs below.

Acoustic Remedies: The program provides healing through music. We are seeking for individual musicians and small ensembles to serve as volunteers and perform acoustically throughout our facility. Your role would include rounding on our members, their families and our staff, providing "healing through music." Require 2 hr/shifts rounding on members in rooms and in the waiting areas.

Care Partner Program: The program is for nursing students, pre-nursing students, current nurses (of any level) who would like to gain exposure and a better understanding of the nursing unit, how it functions and flows as well as the role of the nurses within that unit. These volunteers conduct rounding on our members, answer call lights, provide support for our patients and our staff. This role does not allow for hands on clinical interaction.

General Volunteers: Volunteers will work in the following Departments: PACU Waiting Area, Ophthalmology, Family Medicine, Internal Medicine, Pharmacy, Admissions, and other departments providing office support as well as assistance to members that are visiting those departments. They serve as liaisons between the member and the staff ensuring a smooth care experience while on our campus. Volunteers are required to complete 200 hours of service over a period of 1 year, and need to volunteer 1 four (4) hour shift per week. Must be age 16 or older.

Youth Program: Serve as Red Vest Concierge, providing wayfinding assistance, wheelchair and discharge assistance to our members. They assist with the check-in of members at the front desk and provide other assistance as requested. Once they complete their 100 hours as a Red Vest Concierge, they are eligible to move into a department where assistance is needed. Youth volunteers are required to complete 100 hours of service and during the school year, they only work 1 three (3) hour shift per week.

Teen Volunteer: Volunteers will assist our patients in a variety of roles throughout our facility. Teen Volunteers are required to be 16 years of age or older and be able to complete 100 hours of service.
