

MATH 2121-09: Calculus II Workshop

Spring 2020

Instructor: Tony Shaheen

E-mail: ashahee@calstatela.edu

Office: Simpson Tower 317

Phone: (323) 343-2159 (Use email instead. I won't get any message you leave on my phone.)

Workshop times: MW, 1:00--1:50, in BIOS 334

Math 2120-09 Calc II Instructor: Tony Shaheen

Math 2120-09 Calc II times: MTWR 12—12:50, in BIOS 334

Enrollment Policy: The Math 2121 workshop is *required* for students who have completed Math 2110 with a grade of C or C+ and for those that are repeating Math 2120 (even if they received CR for Math 2121 in the past). The workshop is also *highly recommended* for students with grades of B- and above.

Workshop Format: During the workshop students will work in groups on homework or related problems to gain practice in problem solving. Each group will be working on the blackboard, and members of each group will take turns working out the problems. The workshop instructor will oversee participants' involvement and progress.

Grading Policy: The grade for the workshop is CR/NC. It will be based on students' attendance and participation. More than 3 absences will warrant a grade of NC for the course. You will automatically receive a NC in the workshop if you receive a grade of C- or lower in the corresponding Math 2120 class.
