

PLEASE READ AND DO EVEN IF YOU DO NOT RECEIVE FINANCIAL AID

A. Regardless of whether or not you are receiving financial aid (which includes scholarships and grants) from Cal State LA, all applicants must PRINT (and SUBMIT with your application) from your GET access the following TWO forms by following these instructions:

Use the GET Website (<https://get.calstatela.edu>) to obtain the following two forms:

- Academic Year 20-21 form
 - Financial Aid Summary 20-21 form
1. Log into your GET account.
 2. Go to the Student Services Home Link.
 3. Go to FINANCES Link.
 4. Look under FINANCIAL AID & click on VIEW MY FINANCIAL AID Link.
 5. Select the appropriate year you want to look under.
 6. Now you will be viewing the FINANCIAL AID SUMMARY 21-22. We refer to this page as the Academic Year 20-21 because it shows everything that you are eligible to receive in 2021-22 by each semester
 7. Save it as a PDF file and name it LAST NAME, FIRST NAME - Academic Year 21-22
 8. Next scroll down near bottom of that same page and click on FINANCIAL AID SUMMARY 21-22.
 9. Now you will be viewing your FINANCIAL AID SUMMARY 20-21, which shows your UNMET NEED for both AY 21-22 and SUM22 (PRINT THIS PAGE).
 10. Save it as a PDF file and name it LAST NAME, FIRST NAME - Financial Aid Summary 21-22

B. If you are receiving financial aid from Cal State LA, and if you have no unmet need but have loans that you have accepted as part of your financial aid packet, any funds that you may receive from this program may result in a reduction in your loans received from Financial Aid. Remember, loans must be paid back and receiving awards from this program will result in less money you will have to pay back (as long as the information that you provided is accurate and approved by the Office of Financial Aid).

C. If you are receiving financial aid from Cal State LA, and if you have no unmet need and no loans as part of your financial aid package, we MAY NOT be able to provide you with any stipend for which you may be eligible. The Financial Aid Office determines whether or not you are eligible for a stipend— LSAMP does NOT control this decision. If you fall into this category, you may be eligible for other incentives.
