ILLUSTRATION OF WHICH COURSES ARE PRE/CO-REQUISITES FOR OTHERS: BS CHEMISTRY SEMESTERS

Solid arrows are pre-requisites (MUST be completed with a C- or better before taking the course)
Dashed arrows are co- or pre-requisites (MUST be completed with a C- or better before taking the course OR during the same term as the course)

*Must earn a C or better to satisfy the university GWAR requirement
**Take two of these three Advanced Analytical (AA) courses
***Also requires passing grade on the GWAR, completion of Blocks A and B4, an additional course from Block B,
and at least one course each from blocks C and D.

Remember that if you are a BS Chemistry major, you should NOT take lower division GE Physical Sciences or lower division GE quantitative
reasoning because your major coursework satisfies these requirements. CHEM 4890 satisfies Upper division GE Block B.
