**Developer, UAS 1161**  
*The arqive*

**Salary Range:** $40.00-60.00/hourly

**Work Schedule:** This is a part-time, non-exempt position; hours to be determined; no more than 29 hours per week. This position is not eligible for benefits. This is a temporary appointment expiring on or before December 31, 2023. This position is contingent upon the availability of funds.

**Essential Functions:** *The arqive* ([www.thearqive.com](http://www.thearqive.com)) is seeking a Developer to lead expansion and maintenance efforts for our website and mobile application. The Developer will be responsible for the enhancement, maintenance, testing, and documentation of our web and mobile applications. Most development on *The arqive* is performed by fourth-year Cal State LA Computer Science majors under the supervision of a faculty advisor. The Developer will provide coordination and quality control, and perform more technically difficult and urgent tasks. The position will last for 15 months with a start date in September 2022, and may be renewed as future grant funding allows.

**Requirements:** A BS in Computer Science.

**Desired Qualifications:** A strong candidate will have a BS or MS in Computer Science and experience with most of the following: Django and DjangoREST, React JS and React Native, relational databases and object/relational mapping, best practices in data security and user authorization, and deployment of complex applications. Candidates should also have sufficiently broad experience to be able to evaluate various technical options as the platform develops.

The incumbent must demonstrate an interest or ability in working in a multicultural/multiethnic environment. A background check (including a criminal records check) must be completed satisfactorily before any candidate can be offered a position with the UAS. Failure to satisfactorily complete the background check may affect the application status of applicants or the continued employment of current UAS employees who apply for the position.

Review of applications/resumes will begin on September 15, 2022, and will continue until the position is filled; however, the position may close when an adequate number of qualified applications/resumes are received. A cover letter and resume are required.

UAS hires only those individuals lawfully authorized to work in the United States. Americans with Disabilities (ADA) requested accommodations should be made in advance to the UAS Human Resources Department.
