Senior Research Associate, UAS 1049

Salary Range: $30.00/ hourly

Work Schedule: This is a part-time position; up to 10 hours per week; non-exempt position. This position is not eligible for benefits. This is a grant-funded position, which expires on or before July 31, 2021 and is subject to renewal upon availability of funding.

Position Summary:
The California State University Los Angeles is seeking a Senior Research Associate to collaborate with the AI and Data Science Research team in developing machine learning algorithms for multidisciplinary applications including computer vision. The main responsibilities of the Senior Research Associate are to oversee the conduct literature reviews, collect and analyze data, collaborate with the research team and the project PIs in developing and implementing machine learning algorithms and Artificial Intelligence techniques and tools. The Senior Research Associate will collaborate with the research associate team and the project PIs in wiring research papers, reports, and future grant proposals.

Requirements:
• A Master of Science or PhD in Computer Science with focus on Machine Learning and Data Science
• At least 2 years of experience in Machine Learning, particularly Deep Neural Networks
• At least 2 years of experience in working with Big Data and Sequential Data
• Experience of Research and Development

Preferred:
• Experience of writing research papers in peer-reviewed journals and conferences in the field of Applied Machine Learning, Artificial Intelligence, or Data Science

The incumbent must demonstrate an interest or ability in working in a multicultural/multiethnic environment. A background check (including a criminal records check) must be completed satisfactorily before any candidate can be offered a position with the UAS. Failure to satisfactorily complete the background check may affect the application status of applicants or continued employment of current UAS employees who apply for the position.

Review of applications/resumes will begin on May 21, 2021, and will continue until the position is filled; however, the position may close when an adequate number of qualified applications/resumes are received. A cover letter and resume are required.

UAS hires only those individuals lawfully authorized to work in the United States. Americans with Disabilities (ADA) requested accommodations should be made in advance to the UAS Human Resources Department.

Cal State LA University Auxiliary Services, Inc. is an Equal Opportunity/Affirmative Action employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, including sexual orientation and gender identity, national origin, disability, protected Veteran Status, or any other characteristic protected by applicable federal, state, or local law.
