SUBJECT: Annual Senate Committee Report

Policies/Items completed during 2021-22

- The committee completed its task of staffing senate committees.

Ongoing Policies/Items

- The committee did not discuss policies during the academic year 2021-22.

Future Policies/Items and Recommendations

- None

Feedback and Recommendations

- Since some positions in committees are staffed by elections conducted at the Nominations Committee while others by individual Colleges, it would be helpful to make that structure visible to faculty members in the form of a documentation. This would be particularly useful for newly hired tenure-track faculty.
- The faculty handbook does not include information on all the committees that is staffed by the Nominations Committee.
